X. GRIEVANCES AND ARBITRATION

A. Either party to this Agreement, upon written notice to the other, may submit a grievance for resolution in accordance with the procedure set forth herein below. For the

purposes of this Agreement, a grievance shall be defined as including all disputes concerning the meaning, interpretation, or application of this Agreement.

- B. All grievances initiated by the Association shall be in writing and shall include a concise statement of the nature of the dispute, and the position of the Association with respect thereto.
- C. All grievances must be presented within 14 working days after the incident or occurrence which gave rise to the grievance, or when the grievant or Association should have had knowledge of the same. Such grievances shall be resolved as follows:

Step 1:

The grievance shall be presented to the Building Principal of the member or members concerned therewith. Such principal shall then meet and confer with the designated Association school representative and such member or members. In the event the grievance is not resolved within seven (7) working days following presentation to the Building Principal, the Association shall have seven (7) working days thereafter to proceed to Step 2.

Step 2:

The grievance may be submitted to the Superintendent. The Superintendent shall meet and confer with the President of the Association and/or his/her designated representatives. In the event the grievance is not resolved within seven (7) working days following submission to the Superintendent, the Association shall have seven (7) working days thereafter to proceed to Step 3.

Step 3:

The grievance may be submitted to the Board. The Board shall then consider the grievance at its next regular or special meeting and, upon request, permit the President of the Association and/or his/her representatives to attend such meeting and present evidence, facts, and arguments in support of its position. In the event the grievance is not resolved within thirty (30) calendar days following submission to the Board.

the Association shall have thirty (30) calendar days thereafter to bring the matter to arbitration at Step 4.

Step 4:

The grievance may be submitted for resolution by the Association to an impartial arbitrator selected in accordance with the rules and regulations of the American Arbitration Association then obtaining. The arbitrator so selected shall hear the matter without delay and issue his/her award within thirty (30) calendar days thereafter. Such award shall be advisory upon the parties. However, grievances filed under Article XII of this Agreement shall be final and binding upon the parties. The cost and expense of the arbitration shall be divided equally between the Board and the Association.

- D. If a grievance is filed on or after June 1st, which if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year, or as soon thereafter as possible.
- E. At any level, the failure of an administrator to communicate his/her decision to the Association within the specified time limits shall permit the Association to proceed to the next level.
- F. If in the judgment of either party, a grievance concerns the Association, a group or class of members, or arises from the action or policy of the Superintendent or Board, it may be submitted directly to Step 2 as described above.
- G. All grievances initiated by the Board shall be submitted in writing to the President of the Association and shall include a concise statement of the nature of the dispute and the position of the Board with respect thereto.
- H. The failure of an aggrieved party to raise a grievance within the prescribed time period, or to proceed to the next step within the time limits set forth, shall be deemed to be an acceptance of the decision previously rendered, and shall constitute a waiver of any future appeal concerning the particular grievance. However, in the event new facts are obtained which were not previously known to the aggrieved party (or which new facts he/she had no reason to have knowledge) but which, if known would have influenced the disposition of the grievance, the presentation of such information to the parties in interest

shall constitute grounds to reopen the grievance procedure at the level at which it had been terminated, provided such reopening occurs within fourteen (14) working days of knowledge by the grievant of the new facts. Furthermore, in the event a decision has been rendered in a grievance and the decision has not been implemented, or has been violated, the presentation of such evidence to the parties in interest shall constitute grounds to reopen the grievance at the level at which it had been terminated.

XI. CONFORMITY TO LAW-SAVINGS CLAUSE

A. The parties hereto shall comply with all provisions of this Agreement, unless and until any provision or provisions are held to be contrary to law by the Court of Appeals of the State of New York or any lower court of competent jurisdiction from whose judgment no appeal has been permitted or taken by the aggrieved party. In the event any provision or provisions hereof are held to be unlawful, the remaining provisions of this Agreement shall remain in effect and the parties hereto shall meet forthwith for the purposes of modifying the same to conform with law and/or negotiating provision or provisions in lieu thereof.

B. It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore shall not become effective until the appropriate legislative body has given approval.

XII. DISCIPLINE AND JUST CAUSE

No member of the bargaining unit shall be disciplined, discharged, reduced in compensation as a disciplinary measure, or have an adverse evaluation or communication of any kind placed in his/her personnel file without just and sufficient cause. Where disciplinary action is taken, the Board shall provide the individual employee and the Association with a written statement of charges against him/her including the alleged facts upon which the disciplinary action is based.

Any grievance filed under this Article shall be initiated at Step 2 of the Grievance and Arbitration Procedure. The Superintendent shall within ten (10) workdays after the

grievance meeting issue a written response to the grievance to the aggrieved bargaining member and the Association.

Notwithstanding the provisions of the Grievance and Arbitration Procedure the Association may submit the matter to expedited arbitration in accordance with the American Arbitration Association's Expedited Labor Arbitration Rules. The decision of the Arbitrator in such cases shall be final and binding upon the parties.

XIII. PROBATIONARY PERIOD

Members of the bargaining unit assigned to a work week of twenty-five (25) hours or more shall serve a three (3) year probationary period. Full-time Kindergarten Special Education Aides who are restricted by the length of the Kindergarten student day shall be considered full time for the purpose of a probationary period.

In the event that during this probationary period any bargaining unit member is to be terminated, the District shall procedurally follow Sections 3031 and 3019(a) of the Education Law of New York State.

Nothing herein is intended to supersede or exceed the standards set by any governmental agency having jurisdiction over the foregoing.

Part time special education aides may be assigned to special education lunch, however, this shall not preclude a special education aide from voluntarily accepting a non-special education lunchroom duty. Classroom aides may be assigned to lunch duty as part of their assignment.

XVIII. **INSURANCE BENEFITS**

A. Health/Dental Insurance:

The Board shall provide individual and family coverage pursuant to the EMPIRE Core Plan Plus, all possible enhancements in effect on June 30, 2003 to full time (i.e., 28.75 hours per week minimum) members of the bargaining unit. Members of the bargaining unit who elected to participate in the Health/Dental Insurance prior to June 15, 2004 shall continue to be entitled to such coverage. In the event that there should be a reduction in hours to less than 20 hours per week:

Members who have declined to participate in the District's Health/Dental Insurance Plan shall, upon request, be reinstated to coverage under the District's Health Insurance Plan subject to the rules and regulations of the Health Insurance Plan in effect. If the member requests reinstatement during a school year, the member shall receive a prorated portion of the amount designated. This change can be made once a year.

The district shall at no time be obligated to create a position in order to continue employment.
- D. All employees who are excessed shall be placed on a recall list in order of district-wide seniority. Should a position within job classification become available, the employee shall be notified of the open position. All such individuals shall be given the right to refuse such employment for a maximum of three (3) years before having his/her name removed from the list.

The member shall acknowledge that he/she has read the material by affixing his/her signature to the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed and does not necessarily indicate agreement with its content. The member shall have the right to answer any material filed and his/her answer shall be attached to the file copy.
- D. An incident which has not been reduced to writing within five (5) months of its occurrence or within five (5) months after it became known to the District, exclusive of the summer vacation period, may not be later added to the file.

 - F. The member shall be permitted to have any material in his/her file reproduced.

XXIV. MAINTENANCE OF STANDARDS AND BENEFITS

- A. All general conditions of employment practices and benefits, including but not limited to work hours, leaves and general working conditions shall be maintained at not less than the prevailing standards in effect for unit members in the District upon the execution of this Agreement, provided, however, that such conditions shall be improved for the benefit of unit members in accordance with the express provisions of this Agreement. This Agreement shall not be interpreted or applied so as to decrease the professional advantages and benefits heretofore enjoyed by members, unless expressly stated herein.
- B. Rules and regulations governing the activities of members within school buildings shall be uniform throughout the District.

The term of this Agreement shall be retroactive from July 1, 2020 to June 30, 2024.
